Odyssey Rossie Divine Ladies Putter . A new line of putters stylishly designed to meet women's specifications. We've taken some of the best designs we've ever created and optimized them for a woman's game and style. The increased head weights unite perfectly with the shorter shaft lengths for outstanding performance on the greens. All the putters also utilize the White Hot XG<sup>®</sup> insert, our softest and most-responsive insert for phenomenal feedback and distance control. The Divine Line features softer head shapes and a new color scheme that emphasizes blue and silver accents that provide a more feminine look. Heavier Head Weights provides the optimal weighting in combination with the shorter shaft lengths in each putter to maximize consistency and distance control, enhance feel and provide better roll characteristics. Softer Head Shapes and Styling - The putters feature blue and silver accents, feminine graphics and softer designs. Tour-Proven Alignment Technologies - The 2-Ball and Marxman<sup>®</sup> alignment systems help make lining up putts easier and more accurate. Multi-Layer Insert - Constructed of a soft elastomer core that's highly resilient for enhanced feel and a truer roll. The thin outer striking surface infused with urethane is firmer for fine-tuned responsiveness. The insert also allows weight to be shifted to the perimeter of the head for a higher Moment of Inertia and better stability.
